## ABOUT

I am a hard-working web developer that uses code to satisfy my passion for problem solving and answering questions. I have developed a web app dice game, Blog site with login authentication, and an e-commerce web app, I regularly attend web developer meetups and Hack-a-thons and continue my learning through online courses including Udemy.com and Codecademy.com.

## PROJECTS

**Web App Dice Game** | HTML, CSS, JavaScript    .
**Blog Site** | Ruby on Rails, HTML, Bootstrap
